

ABOUT THE PROGRAM

The intent of this AOCNP® Review Course is to help advanced practice oncology nurses prepare for the AOCNP® certification examination. The course is based on the current examination blueprint and the content addresses the unique role of the NP. This AOCNP® Review Course is targeted to oncology advanced practice nurses who are eligible to take the AOCNP® certification examination and oncology advanced practice nurses seeking a general review course and continuing education credits for ONC-PRO. The goal of this AOCNP® review course is to provide advanced practice oncology nurses with an additional resource to prepare for the AOCNP® certification examination.
