Health and Human
Development
Program in Reproductive
and Adult Endocrinology
Bethesda, MD

Target Audience

This cme symposium is designed for practicing gynecologists, obstetricians, endocrinologists and other interested medical specialists who want to update their knowledge of women's health issues in order to improve patient management.

Program Overview and Goal

The practicing clinician in obstetrics and gynecology is routinely faced with common endocrinopathies, both medical and reproductive. This program will provide a summary of the latest clinical data and research findings, address key issues in patient management and focus on the treatment strategies required to achieve the most favorable results to improve patient outcome.

Needs Assessment

To gain a better understanding of current, critical issues in women's health and new developments in scientific research involving advances in the etiology of hormonal disorders, diagnosis, stages, new treatment modalities, and the importance of individualization of care.

Accreditation and Credits

EXCEL Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

EXCEL Continuing Education designates this educational activity for a maximum of *four AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

EXCEL Continuing Education is an approved provider of continuing nursing education by the FL Board of Nursing Provider # 50-619. The participant will be awarded 4 contact hours of credit for participation in the activity.

Faculty Disclosure Statement

As a provider accredited by the ACCME, it is the policy of EXCEL Continuing Education to require disclosure of the existence of any product(s) discussed in an educational presentation. Any discussions of unlabeled or unapproved uses of drugs or devices will be disclosed to the audience in the course materials.
